

Your Connection to the USA and World

Looking for a distributor or representative for your aerospace products and services in the USA and the rest of the world? Let's Talk.

WHO WE ARE

Founded in 2001, Aventure Aviation is an award-winning aircraft parts supplier dedicated to providing unique, reliable solutions that exceed market demands and customer expectations. With more than 1,500 customers, 70% of our revenue comes from international commercial and military aircraft fleet operators.

We are located in Atlanta, Georgia—home to the world's busiest airport. This allows us to ship parts to nearly every destination on the planet up to 10 pm daily. We are 300 miles west of the Boeing 787 assembly plant in South Carolina, 300 miles north of the Airbus A320 assembly plant in Alabama, and just a few miles from the Lockheed Martin C-130 assembly plant and Gulfstream aircraft manufacturing plant located in our state of Georgia.

WHAT DO WE DO

Commercial Aviation

Aventure provides the sale, exchange, and lease of commercial aircraft parts, and component MRO support.

- Support for Airbus, Boeing, Bombardier and Embraer narrow, wide-body, regional, and corporate aircraft.
- 24/7/365 and AOG service to customers worldwide
- Spares provisioning for airlines
- OEM representations as a reliable Distributor
- Inventory of thousands of line items
- Aircraft end-of-life acquisitions and purchase of retired aircraft for disassembly and parts harvesting
- Consignment sales agreements with airlines and repair stations
- Surplus inventory and excess parts solutions
- Component repair programs

Military Aviation

Aventure's Military Division offers military aircraft parts and component MRO support to customers worldwide.

- Parts supply services for Lockheed C-130 Hercules transport and F-16 fighter jet aircraft, and the Rolls Royce T56-A-15LFE turboprop engine
- Substantial inventory of components, hardware, consumables and expendables on hand
- Approved supplier to Lockheed Martin and Rolls-Royce authorized service centers worldwide
