WHO WE ARE

Founded in 2001, Aventure Aviation is an award-winning aircraft parts supplier dedicated to providing unique, reliable solutions that exceed market demands and customer expectations. With more than 1,500 customers, 70% of our revenue comes from international commercial and military aircraft fleet operators.

We are 300 miles west of the Boeing 787 assembly plant in South Carolina, 300 miles north of the Airbus A320 assembly plant in Alabama, and just a few miles from the Lockheed Martin C-130 assembly plant and Gulfstream aircraft manufacturing plant located in our state of Georgia.
